ECCAIRS

Report an Occurrence
Help play your part in making flying safer. Report your occurrence to your competent National Aviation Authority here.

What is ECCAIRS 2?
ECCAIRS 2 is a digital platform established to assist aviation stakeholders in collecting, sharing, and analyzing their safety aviation information. ECCAIRS stands for the European Coordination Centre for Accident and Incident Reporting Systems.

Why reporting is important?
Safety Reporting plays an essential role in accident prevention enabling the identification of appropriate remedial actions through the prompt analysis of safety data.

Report an occurrence without registration

You will still be able to consult the report you sent via a confirmation notification you will receive after submission

[CLICK HERE TO BEGIN](#)

You can report an occurrence by either:

1. signing in with a registered user account — click 'SIGN IN TO ECCAIRS', or
2. proceeding without an account — click 'CLICK HERE TO BEGIN'.

If you do not yet have an account, please choose one of the two options highlighted in blue at the bottom:

- Register your organisation
- Register as an individual user

These options will guide you through the appropriate registration process before submitting your report.

When submitting a report on behalf of your organisation, please first check whether the organisation is already registered in the system. If so, the report must be submitted using the organisation's official account, rather than an individual or unregistered profile.

If you prefer to report anonymously for any reason, you may do so without using the organisation's account. Otherwise, the standard and recommended method is to submit via your organisation's registered profile
